Sheriff's Deputies End Break-in Spree Here

Quick action by an alert Crawford County Sheriff's Deputy has led to the arraignment of two men here and the apprehension of two juveniles linked to a series of local break-ins.

Ramon Lee Gifford, 27, of Muskegon, and Jordan Lee Larimer, 23, of Logansport, Ind., were arraigned in district court here Tuesday on break-in charges.

They had been jailed in lieu of \$5,000 bond set Thursday by District Judge Francis Walsh.

Two juveniles who were arrested along with Gifford and Larimer by sheriff's deputies Wednesday in the Cameron Bridge area were turned over to probate court.

Officials said the arrests ended a break-in spree in which seven cottages and cabins were entered and looted.

Deputies spotted one of the adults removing stolen property from one cabin and moved in.

Two juveniles, involved in the break-in of another nearby cabin, and the other male adult fled when they spotted the sheriff's cruiser.

A tracking dog from the Otsego County sheriff's department was brought in and the three were rounded up in about two and a half hours after a search along the Manistee River.

Sheriff's officers said at least five cottage break-ins in Crawford and two in Kalkaska were solved with the arrest.

Grayling Youth Still Missing

By Rod Denley

Residents here in Grayling may be able to assist in the search for a missing local youth that mysteriously disappeared about two weeks ago.

Harold Eugene Baker, III, 17, the son of Mr. and Mrs. Harold Baker, of 6322 Richmond Road, has been missing after being dropped off by his father on a Thursday night in downtown Grayling. He failed to return that night and no trace has been found of the youth since then.

George Erickson, youth officer with the Crawford County Sheriff's Department is investigating the case. He requests that anyone who has any information at all should contact the Sheriff's Department immediately. Any clue or information could be vital.

The disappearance of the youth has prompted an investigation here in order to find out as much information as soon as possible. Over three years ago another young man vanished from the Grayling area and no trace of him was ever found.

Perry O. Corlew, 18, disappeared after his car was discovered parked beside the free-

way with the motor still running. Weeks went by before a detailed investigation was undertaken and by that time the search was hampered by the elapsed time according to Erickson.

In this case, the missing youth's absence is a puzzle to the police, his parents and friends, since it does not fit into the pattern at all of the young man who is described as a "loner", but an average teenager.

"We are scared," his mother said Tuesday morning. "Each day gets a little longer and each day we get more frightened."

KCC Expands Music Program

Kirtland Community College has expanded its music program in an attempt to keep up with the increased interest of the students and community.

The program, now under the direction of Mrs. Barbara Hess of Roscommon, was originally developed by Mrs. Sarah Oppy, also of Roscommon.

Beginning this fall, the college will offer several new music courses, including guitar and instrumental ensemble. Piano, choral ensemble, and music appreciation will also be offered. Mrs. Hess will also be teaching Music Theory, which is designed to introduce the non-music major to the fundamentals of music.

Mrs. Hess explained that piano is not an instrument that needs to be learned at an early age. The teaching approach is that of "playing by ear" and gradually working up to reading musical notes.

An unusual aspect of the piano class offered at Kirtland

is the pianos themselves. They are electronic, and developed so that they are silent when played. Only the student hears what he is playing in earphones connected to the piano. This makes it possible to teach to a larger group, rather than on a one-to-one basis.

Genevieve Senter, of Pinconning, took the Piano I course during the summer semester. She said, "I've always wanted to learn how to play the piano. I can hardly believe we've accomplished so much in such a short time."

George Stoddard, of West Branch, was also a member of the class. He remarked, "My whole family played musical instruments and I felt left out, so I thought I'd give piano a try. I've enjoyed the class, and worked hard at it, too!"

For further information on the music courses offered by Kirtland, contact the Admissions Office at 517/275-5121. Fall classes will begin on August 29th.

Youth Services Road 'n River Rap

By Robert Smock Jr.

The environment, the world of life all around our lives, is improving and lately our people have all been feeling good about that.

It's just not often enough that we share the "good things" of our summer clean-up, experiences so maybe this article ought to say what's been right, amidst the wrong.

The supervisors, somewhere between ten and twenty, have been the most sensitive, caring people I have met in my Grayling experience. The kids own our progress and success, for without them our program has no spirit or soul.

Financed by local support and federal monies our crusade has known both highs and lows — none the less thankful for the opportunity to be. Senator Davis was especially helpful, with the Manpower Consortium of Onaway, NEMSCA of Alpena and COOR Intermediate School District all lending positive support.

On the local level, the DNR, City Hall, the County Road Commission and Grayling, Frederic and South Branch Townships provided a lot of necessary support. Perhaps the least identified supporter, providing the most assistance are the canoe liveries: Ray's, Borchers, Jolly Redskin, Carr's, Penrod's, Carlisle and Jim's canoes on the AuSable; Campbell's on the South Branch; Shellhaven and Long's on the Manistee, have made our efforts possible on those rivers. This amounts to tremendous assistance, yet when river are littered over and over — canoe liveries take a lot of unfair criticism. Take the South Branch, for example. All the liveries engage in a summer long process of keeping that river clean. If control is necessary on our rivers, that control should be of people, not canoe liveries currently in existence.

Proposal A, banning throwaways should be a giant step in the right direction. "Environmental awareness" signs, similar to those in Vermont and Oregon, encouraging respect of mother nature in a friendly way, could also improve the situation. People united in conservation programs and other various groups creating anti-litter legislation along with issuing warrants for this crime against public property, will all help to control our environmental problems and concerns.

It's Happening Here!

Study Trout In East Branch

MSU graduate student, Kurt Fausch, is doing a research study on the trout population in the East Branch of the AuSable River during the month of August.

The research concerns competition between the brook and brown trout. A method he is using is snorkeling in the stream and observing the fish. The research is being done under the direction of Ray White of MSU.

Anyone wishing to contact Kurt may do so by calling 517/355-7493 or addressing him at the Dept. of Fisheries and Wildlife, MSU, East Lansing, MI. 48824.

Weatherization Program

Persons receiving certain assistance from the Department of Social Services are eligible for weatherization of their homes.

Weatherization consists of caulking windows, fabricating/installing storm windows, weather stripping doors, minor roof repairs, and insulation of accessible areas in your home. These few minor repairs can Save You Money this winter in fuel costs.

In effort to assist senior citizens and disabled persons who utilize wood burning heating units, the program permits assistance with cutting wood. Any person who has a supply of timber to be cut can request help. The crew will be able to cut and stock pile wood for persons who are not able to do so for themselves.

Your Department of Social Services case worker can assist you and determine your eligibility for the weatherization program. Please contact them at 348-7691.

Council Discusses Fire Problems

Grayling City Council Monday night heard a report from Councilman Robert Golinick who urged them that action must be taken to preserve the Grayling City and County Volunteer Fire Department. Golinick told council that the paperwork and training requirements required by state officials could eventually force many small town volunteers into abandoning their fire fighting duties. "This is all right for a large city and a big budget," he said. "But it is getting harder and harder for volunteers to keep up with the paperwork without even being paid for all that extra time."

Council decided to apply as much pressure as possible in order to get the state to see the problem from the point of view of small communities.

Where Are Frederic Kindergarten Students?

The Crawford AuSable School District may have to bus kindergarten students from Frederic to Grayling to attend classes unless more youngsters are found in Frederic to attend to fill a class there.

Already a hot issue has come up there over the bussing of Grade Five students to Grayling, school superintendent Fraser Dean said Tuesday. He is hoping that a full kindergarten class will be available in Frederic this year so no bussing will have to take place. "We need at least 15 kids for that class and right now we have only eight," he said. "We urge any parent with kids of kindergarten age to immediately contact the school office in Grayling so we can make our plans and decisions on this issue."

Helen Moon to Leave RSVP

Helen Moon, Director of the Crawford County Retired Senior Volunteer Program for the past 4 years will be leaving this month to take the position of Manager at Wesley Center for Continuing Education, in Owosso.

Her duties will include the Center, which houses weekend students as well as conferences and workshops, working with the food service which operates The London Room, as well as the sale and rental of student textbooks for the college.

The change will allow her to attend John Wesley College in the Adult program, which offers a variety of individualized college credit programs. She plans to complete her degree in Business Administration and religion.

She graduated from Herbert Hoover High School in Flint as valedictorian in 1954. She has attended Mott Community College, Flint; Kirtland Community College, Grayling; and Eastern Michigan University, Ypsilanti.

Silver Tea At Lovells

Members of the Lovells Chapel Guild will hold their annual Silver Tea on Wednesday, August 17th from 2 until 4 p.m.

There will be a musical program at the chapel with Mrs. June Feldhauser presiding.

The tea and bake sale will follow and will be held in the adjoining club rooms. We extend a warm welcome to everyone. Come and enjoy the afternoon with us.

Reminder To Band Students

Just a reminder to students going to Band Camp. Registration is Sunday, August 14, at 1:30 with your instrument. Bring at least one parent. We'll march in the Frederic parade and then register. We'll be pulling out at 7 a.m. on Monday, August 15.

Rick Townsend

A Second Reminder

There will be a rehearsal on Thursday, August 11, at the High School to prepare ourselves for the Frederic parade. The rehearsal starts at 6 p.m. and is for High School band students only.

CONSTRUCTION CONTINUES—From the bird's eye view of a helicopter, one can begin to see the scope of the construction work done at Camp Grayling. Construction of new barracks has been progressing for many months as the new facilities are prepared that will eventually house an additional 1500 troops. In this picture are a dozen recently completed ones and a whole series of new foundations being prepared. (Rod Denley Photo)

Mercy Hospital Auxiliary

The Mercy Hospital Auxiliary will hold a special membership meeting in the North Wing dining room on Thursday, August 18, 1977 at 1 p.m. The agenda is full of many items which we feel will be of interest to you all.

Results of the Milltown weekend, tickets printed and ready for distribution for the October 20th Silver Tea and Bazaar. materials are here for making the flowers for the September 2nd Tag Day and news of other up and coming events. Please plan on joining us at this most important meeting. See you there.

Dick Smothers at Cherry Co. Playhouse

Dick Smothers has had several careers. In the 1960's he achieved national fame on the famous Smothers Brothers television show. He has been a night club performer, a race car driver and is currently preparing to open a winery in California. On August 9, Dick will begin another career, that of a theatrical actor. From August 9 through the 14, Mr. Smothers will make his theatrical debut at the Cherry County Playhouse in the Neil Simon comedy "Prisoner of Second Avenue".

Smothers will play the character of Mel, a down and out New Yorker who is overcome by the pressures of living in the Big Apple. Throughout the play Mel is beset by all the problems of big city life. In the unique setting of pollution, crime, and unemployment Mel's survival is both heartwarming and humorous.

The CCP production of "Prisoner of Second Avenue" will mark Smothers' first return to show business since he and his brother Tom retired their act of eighteen years at the Aladdin Hotel in Las Vegas last December.

Consolation

After reading over his son's report card, the disconsolate father could only remark: "One thing in your favor, son, with these grades it's obvious you're not cheating."

Masonic Activities

Grayling Lodge #356, F. & A. M. has scheduled three special meetings for degree work according to Rex McMillen, W.M. On Thursday, August 11th the E. A. Communication will be held at the Masonic Temple beginning at 7:30 p.m. The following Thursday, August 18, the F. T. Degree will take place. The Master Masons Communication will be conducted in September but the exact date has not been set at this time.

The local lodge was honored by a visiting Brother from Germany at its regular meeting on August 4th.

Bits O' Talk

by Fay Boyce

On Sunday, August 7, the Just Us Club and husbands gathered at the Robert Sorenson's house for a special treat. Norma and Sam Gust hosted a fish fry for the group, with some of their lucky catches in Florida. He used Paul Bunyan's fry pan over an open fire which added a little extra flavor.

The Kermit E. Nicholsons of Florida and New York visited Evelyn and Ab Sager for four days last week. They were returning to New York after getting a new motor coach in Elkhart, Indiana. The Nicholsons and Sagers are neighbors while in Florida.

Bill Hatfield, a graduate student at Western Michigan University, Kalamazoo, returned last Friday from a 4-week Mediterranean cruise. Among the places he visited were Italy, Egypt, Lebanon, Turkey, Israel, Greece and Sicily. He reported having had a wonderful time.

Mr. and Mrs. Tom Hatfield and family of Jackson spent four days with their parents, Mr. and Mrs. Howard Hatfield.

Emily Adlen of Grayling had surgery at Mercy Hospital last week. Her daughters, Virginia Parker of Roseville and Betty Rumenapp of Mt. Clemens, granddaughters, Sister Angela Michelle of Dallas, Tex., and Denise Matulewski of Ypsilanti and great-granddaughter, Shanti Matulewski are visiting her.

Missing

[Continued from page 1]

Every day is longer and harder to get through.

"There is something here that is just not right. Our son is not the kind of kid that runs the streets. He usually gets home exactly when he is supposed to or shortly after. He has always worried about being grounded. Usually he is going to be late. He gives us a call and that is all we would like to have right now. If he has chosen to leave home, then we would not intend to force him back. All we want is a phone call to know where he is and to be told that he is safe."

"As far as we can determine he hasn't taken anything with him but a pair of blue jeans and a light blue T shirt he was wearing that night. His watch is still here and so is his bank book, all of his clothes and other things. He has money in his savings and the pass book is still here. He also has over \$200 coming to him from work and he does not have that. It is a lot of money to any kid his age."

"He had a good job for the summer working with the Speedy Program (A CETA work project under the auspices of the Department of Natural Resources), and he really loved his work. It just doesn't make any sense at all. He did have about \$120 in cash from his last check."

Their son is affectionately called "Butch" this father's nickname as well. He is well known resident here and one of the leading organizers of the Little League, but is best known to local teenagers as the "Montana Kid" his CB handle.

"He has never been in trouble before. That is what has us so puzzled," his mother said. "He is dead against smoking and is not a drug user. He enjoyed bowling, hunting and fishing," said his mother.

She said he did skip school, once and started to hitch-hike to Flint with a friend, but got as far as Pinconning and got scared when he became stranded. He then called home for his parents to come and get him.

The search for the youth has been extended as far as Montana according to Officer Erickson. The boy came from there originally, but all his close relatives are here in Grayling now. Erickson said that there is a possibility he may have gone there to visit friends so police there were notified to be on the lookout for the youth. He is described as being six feet tall, weighing 180 pounds and has brown hair and blue eyes.

Centennial

year old daughter of Mr. and Mrs. Thomas Campeau. She is in the school band and is also a member of their choir. She enjoys crafts and plans a career in veterinary medicine.

Mr. and Mrs. Kenneth Newberry are our Centennial King and Queen. Kenneth came to Frederic as a lad of 4 years old, with his parents, the Roy Newberrys. Ken loves the outdoors and is an avid fisherman. Merna came to Maple Forest in the early 1930's, with her parents and family, the John Glens. She has worked on behalf of the Frederic Community Library, the Frederic Historical Society, the Frederic Business Association, the Frederic Homecomings, the Frederic Brownie Scouts, Church work and the Frederic Hobby Club, of which she is a 24 year member.

Merna and Kenneth were united in marriage in her mother's home on August 13, 1950, in Maple Forest (at this time her father was deceased). They were married by his father, Elder Roy Newberry. They spent several years living in the Royal Oak area, but they returned to Frederic in 1952 where they have lived ever since. They have five lovely children, Janet, Forrest, Marnie, Kenneth and Kathy.

Our Princess is Denise Campeau, who is the 11 year old daughter of Mr. and Mrs. Thomas Campeau. She is in the sixth grade. She enjoys music, swimming and fishing. Her favorite hobby is rock collecting.

Our Prince is Maurice L. Alma, Jr., who is the 14 year old son of Mrs. Sharon Alma and Mr. Maurice Alma. Sr. Maurice likes to read and loves outdoor sports.

Our court is Teresa Dee Joseph and Candy Alma. Teresa is the 16 year old daughter of Mr. and Mrs. Juell Joseph. She is majoring in business education. Her favorite hobbies are swimming and tennis. Candy is the 15 year old daughter of Mrs. Sharon Alma and Mr. Maurice Alma Sr. She enjoys sports and is a member of the school band.

Our Citizen of the Year is Rose Ann Armstrong Owens. Rose Ann worked hard on behalf of the Frederic Elementary School. She organized a group to get the new addition to the Frederic Elementary School, which is now a realization and in use. She was secretary of the Power of Parents Group which works for the benefit of the Frederic Elementary School. She has helped with our Annual Homecomings, the Frederic Cub Scouts, and she continues to work on behalf of the school and community. She was presented with a beautiful bouquet of roses.

Special recognition was bestowed on Lucille Klein, who is the president of the Frederic Homecoming Committee. Lucy, as she is referred to by many, was recognized for her many long hours worked towards our Centennial giving and helping to make it possible.

A special thanks goes to our Master of Ceremonies, State Representative Ralph Ostling, and all those who worked to make our Royal Ball possible.

WOTM News

The meeting of August 1 was called to order by Sr. Regent Loa Overly.

Two committee chairmen were installed. They were publicity, Cheryl Lozon, and Argus, Susan Smith.

Past Governor Art Stephenson gave us a talk and asked us to put on the Fellowship Dinner on September 11. We would like to thank all who worked on the Moose Bar-B-Que for the Milltown Festival. They all worked hard and had a good turn out.

Sharon Morgan was balloted on, the ballot was favorable. Sharon is from Mancelona.

We were glad to have Pat Mayo here for this meeting. We had a good turn out. Let's keep up the good work and have a few more show up for our next meeting.

We were also glad to see Betty Lozon at this meeting. We hope to see you again soon, Betty.

From Our Corner...

Everyone lucks out this week ... even your unfavorable editor ... we had to make a trip to Mt. Pleasant Monday with Section B of this issue, and on our return found ads had nearly pushed us right out of Our Corner.

Now all we have to do is fill you in on a few small tidbits whereby you will not get bored and may pass onto the other pages of this edition, which we are sure will be much more enlightening.

↑ ↑ ↑
We received a phone call Saturday from Wes Dunham of Lansing, who along with his wife, the former Vivian Dawson, have their roots here and spend their summer vacation with their family at Lake Margrethe.

Seems as how Wes was at his place in the McIntyre Landing area over the weekend and related that he had killed a rattler under his trailer Friday that had 6 jewels on its tail.

Like he stated, it scared the hell out of me when I picked up the board where it was under — but, only thought of our grandchildren who had been running around the same area.

In no way is this to be construed as an alarmist situation — only as our caller said, an ounce of precaution never hurt anyone.

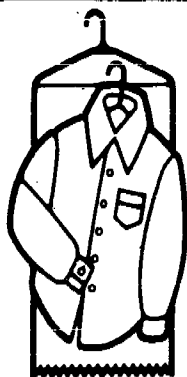

They say, the Michigan rattler is not poisonous ... this chicken does not wish to prove the point — we have a weak heart.

↑ ↑ ↑
Have a happy birthday honey, we'll be seeing you and T.J., Stefany and John soon.

"Check your business policies — you could be paying twice for the same kind of coverage."

"You may find you've got two policies that provide the same kind of business protection — and that's one policy too many."

"Worse than that, you're paying twice. As insurance professionals, it's our job to help you eliminate duplication of protection."

"We'd probably recommend an Auto-Owners Insurance Policy that puts most coverages into one neat package. And one low premium."

"Why not give us a call. We'll be glad to discuss it with you."

FINAL CHAPTER WALKING TALL

BO SVENSON as Buford Pusser

The Bible Speaks

From Calvary Baptist Church

The Great Tribulation Rev. 6:1-6

Chapter six is a general prophetic picture of the future Great Tribulation which will soon come upon the earth. The contents of this future prophecy comes directly from the pages of the seven-sealed book in Heaven which we studied in chapter five. As we proceed to open the six seals of chapter six, we shall observe the striking similarity between this prophecy and the prophecy of Jesus Christ concerning the last days in Matthew 24.

As the first seal is opened in verses 1 and 2 of Revelation 6 we see the arising of the antichrist. This rider on a white horse is not the true Christ because the true Christ will come from Heaven riding a white horse in chapter 19 at the close of the tribulation. Notice the weapon of antichrist is a bow with no arrows. He will conquer the world by diplomacy, forming a one world government. The true Christ will conquer the world with His Word. Jesus Christ already warned us in Matthew 24:4,5 not to be deceived by antichrists who would come in the last days.

The second seal opens in Revelation 6:3,4 describing terrible warfare under the red-horse rider. Jesus gives us excellent commentary on this verse in Matthew 24:6,7a: "And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. For nation shall rise against nation, and kingdom against kingdom..." So the second sign of the Great Tribulation is world wide warfare.

The third seal opens in revelation 6:5,6 describing terrible famine under the black horse rider. Famines is the next thing listed by Jesus in Matthew 24:7

following war. "A measure of wheat" is the amount one person would eat in one meal. "A penny" speaks of the silver Roman coin called a denarius. One denarius was the normal wages for laboring one day during New Testament times. "Three measures of barley" speaks of enough barley for three meals, barley being the lower quality food. There would be nothing left over for "the oil and the wine." To put all this in modern perspective, a man would be working all day just to get enough money to buy a loaf of bread, nothing else.

The Bible clearly teaches that the great tribulation will begin with deceptive world government under the control of a devil controlled political genius called the antichrist. Following his "peaceful" rise to power will be the revolt of nations, both against each other and finally against him. This global warfare will be far more destructive than all the warfare man has known. It will lead to the worse famines the world has ever known. Next week we shall study the next three prophecies of the seven-sealed book in heaven. (adv.)

PARENTS WITHOUT PARTNERS HAVE PICNIC

The local Gaylord chapter of Parents Without Partners held their annual picnic at Clear Lake near Atlanta. Despite the worst rain storm of the summer, some 38 members were present. 16 children under 10 years of age. Saturday night's steak dinner was followed with pancakes and bacon Sunday morning, all cooked on an open fire by the Chapters President, George McCutcheon. There was swimming, canoeing, volleyball and lots of campfire sitting, with plans for next year's camp-out already being discussed.

Gaylord's P.W.P. Chapter has members from Lewiston, Atlanta, Grayling, Mancelona, Wolverine and Waters.

Parents Without Partners is an organization for any parent who is single due to death of his spouse, separated, divorced or never married, having at least one living child. Through programs of discussion, professional speakers, study groups, newsletters and international publications, real help is provided to the confused and isolated to find himself and to share his own life to meet the unique unpredictable conditions of single parenthood.

Parents Without Partners meet each month on the first and third Tuesday at St. Andrews Episcopal Church, Main St., Gaylord at 7:30. Call 732-9966 for information.

Bits O' Talk

by Fay Bovee

The Richard Allen family vacationed at a cabin north of Atlanta the week of Aug. 1. Joining them were their 17 year old nephew, Bill Allen, from Wayne, Mich., and 9 year old niece, Vicki Godwin, of Southfield. While Bill enjoyed the fishing and outdoor life, the boys taught Vicki the sport of "Black-Jack". Vicki also spotted her first deer from a blind at the cabin. On the way to pick up Vicki from her 2 week vacation, Mrs. Godwin brought along her mother, Mrs. Ramsey, and sister, Peg Ramsey, to enjoy the lovely north woods.

The Charles Ahern family from Lathrup Village visited with the Richard Allens the weekend of August 6-7, while vacationing in northern Michigan. Their three daughters, Fran, Ellen and Jennifer, were becoming quite proficient at fly-fishing during their week in the woods.

Other guests of the Richard Allens were the Patrick Waite family of Detroit. They treated their three children to a weekend at Yogi Bear Campground for a small family reunion.

Mr. and Mrs. Gus Konopnicki and family, Chris and Gussy have returned from a three-week trip to Ontario, Cal. and other parts of California where they had a wonderful time sight-seeing. Some of the places visited included Sea World, Disneyland, Sequoia and King's Canyon. Gus says it's nice to see, but he's happy to be home. John and Caroline Bonham and children, Susie - 10, Tony - 8, Angie - 6, and Andrew - 4, of Longmont, Col., spent six days recently with her parents, Dr. and Mrs. Leonard Allison.

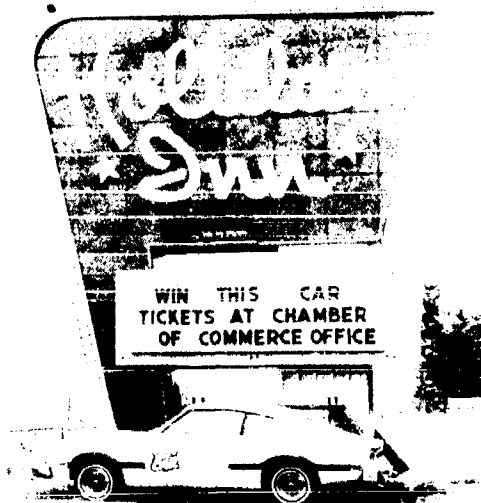

Moose News

Well, here goes again. On Saturday evening, July 30, our new Governor-elect and past Governor, Junior Governor, Pre-late, and treasurer were installed for the year of 1977-78 by State District President Kaminski of Manistee.

This was done after we finished over at our tent during the Milltown Festival where we had chicken and ribs bar-b-que. Everyone had a very nice time. I wish to thank all those who worked and had anything to do with it. We had a good time.

Our annual Moose picnic is on August 28. Bring a dish to pass, also your own table service. It is to be held at Hargrove Lake again. Here's hoping to see all of you out there.

Our meetings are on the first and third Friday of the month. Please try to come out to meetings and meet our new officers and see what we are trying to do to make this a better lodge. You know, this is your lodge as well as mine. If it weren't for the women of the Moose helping and doing what they do, where would we all be? Ralph Slusser, Governor

CHAMBER PROMOTION—The Grayling Regional Chamber of Commerce in an effort to raise extra revenue is sponsoring a dinner-party September 8th at the Camp Grayling Officer's Club, with cocktails at 6:30 and dinner at 7:30. Tickets are available through the Chamber office in city hall for a donation of \$100. Several door prizes will be given away during the evening, with the main prize being the 1977 Mercury Comet shown above.

WINNERS

Youth Services Environmental Clean-up Program held a drawing for Grayling's Milltown Festival this year. There were 30 prizes, all donated to the program by local business establishments. The drawing was held at the Milltown Festival Youth Services booth on Sunday, July 31.

Congratulations go to all the winners, especially the winners of the four main prizes: Lloyd Crazford, Compound bow from Bear Archery; Glenn Beck, 410 gauge shotgun from Skip's Sport Shop; Mike Smock, fly rod and reel from Ray's Canoe Shop; Dale Telling, barrel stove from Dale Papendick.

Appreciation and thanks go to all of the fine people and businesses that donated their money and merchandise to make this drawing a big help to the Youth Services Clean-up Program.

Proceeds from the Milltown drawing are to be used to purchase garbage bags and equipment for the Youth Services Environmental Clean-up Program.

Higgins Lake Study Group

The Higgins Lake Study Group will have a summer picnic on Thursday, August 18, at the Boat Club on Treasure Island.

Members and friends are requested to meet at Old Point Comfort between 11:30 and 12:15 for transportation by boat to the island.

Providing table service and light refreshments, swimming suits, towels, hats, etc. or whatever you wish to enjoy for the afternoon.

Rotary Minor League Team Travels To Detroit

The Grayling Rotary baseball team traveled to Detroit recently to see the Detroit Tigers play Kansas City. 24 young people made the trip under the guidance of Denny Freeman, Neal Rouse, Doug Burkhardt, and Rex Cornell.

The team left Grayling at 7:00 a.m. on July 24, and arrived home at 10:30 the same evening. Stops were made at MacDonalds along the way, and the group was fortunate enough to see a pre-game contest pitting the Detroit Tiger ball club in an exhibition game against their own children. The team was coached by Denny Freeman during the regular season.

These young people had a great time, and wish to thank the Grayling Rotary Club for making it all possible with a \$100 donation. Thanks are also in order to the parents, friends, and helpers of Little League for their faithful support throughout the season. Most especially, thanks to Carol Baker and Harold Baker for the continued dedication and help they have given in making Little League baseball a success in Grayling.

Alumni News

Our association is voting in favor of a change in one of our special funds. In its beginning, in '62 we established a Student Loan Fund which has grown very slowly and has afforded no opportunity for loans. It will be changed to a Student Scholarship Fund which will be given each year. New committee for same consists of Mary Joseph Knibbs, '40, Chairperson, Jean Peterson Gothro, '35 and Charles Wylie, '29. These Alumni have accepted the task of setting up regulations for the fund use. The first format was presented to the Alumni Board at a meeting on August 2. We hope to build this up to make an attractive amount available to a worthy student yearly. Give it a good think, be part of it, no gimmicks — just satisfaction. Annual letters next month.

CELEBRATE 60th ANNIVERSARY

Although the actual date for Herman and Fay Gschwend's 60th wedding anniversary is the 10th of September this year, the official celebration took place June 25th at the AuSable River, Grayling. The enormous task of assembling the 10 relatives in attendance from points as near as Midland and as far as California and British Columbia determined both the early date and unusual location.

A gala dinner was prepared the evening of June 25th by John and Wilma Ludeman, owners of the Shoppenagon Lodge where the entire party stayed. The toast to the happy couple was prepared by E. C. Staehling who was recuperating in Grayling hospital at the time. Those in attendance were: Mrs. E. C. Staehling of Midland; Mr. and Mrs. R. F. Gschwend of Waterville; Mr. and Mrs. Bruce E. Gschwend of Toledo; Mr. and Mrs. Richard Staehling of Vancouver, British Columbia, Canada; Mr. Scott Staehling of Walnut Creek, California; Miss Bonnie Gschwend of Ann Arbor, and Dr. Scott Schlegel of Middleburg, Ohio.

Republicans Host Gov. Milliken

The Crawford County Republican Committee hosted Michigan Governor William G. Milliken recently at a reception held at the Clyde Borchers residence at Lake Margrethe. The affair was a great success, with nearly a hundred local citizens turning out to greet the state's Chief Executive.

The Governor was on hand to talk and answer questions for approximately an hour and a half, and he also granted an interview with WGRY Radio. Mr. Milliken was his usual charming self with the ladies, and enjoyed jovial rapport with the gentlemen as well. However, in the best traditions of politicians everywhere, he was decidedly vague about his future political ambitions. Governor Milliken has been mentioned as a serious contender for the U.S. Senate seat soon to be vacated by Sen. Robert Griffin.

The local Republican committee would like to thank all those who turned out to meet the Governor, especially to these local ladies who brought hor d'oeuvres: Gloria Alef, Nancy Kent, Bernie Dosch, Mary Jane Knibbs and Marian Joseph, and extend an invitation to all interested local citizens that our next regular meeting will be held at the court house on August 30, at 7:30 p.m.

Editor's Mailbox

Editor's Note: The following is the first of three articles by the Crawford - AuSable Board of Education pertaining to the millage renewal vote to be held August 29.

We, the members of the Crawford AuSable School Board have adopted the following millage proposal for the coming school year to be voted on August 29th:

Shall the millage levy be increased by 9.65 mills? 9.15 mills represent a renewal of mills that expire this year. .5 mills represents an increase. This combined millage proposal is a reduction from our total millage proposed in June of 1.83 mills.

After long and arduous study and discussion we came to the conclusion that this is the minimum amount of millage needed to provide an education that meets the basic needs of our children. We were able to arrive at this reduced millage request because of the following reasons:

1. Some increased funding because the State changed the State Aid formula.
2. A reduction of classroom teachers.
3. Additional reduction of the extra-curricular program.
4. Monies left over from last year's budget due to tight spending, reduced programs, savings in fuel, electricity, and maintenance costs.

We did rearrange our priorities somewhat to deal with problem areas by allocating additional monies for textbooks, teaching supplies, library books and elementary physical education.

We believe this is a compromise and represents a sincere effort to be responsive to the concerns of taxpayers and the needs of school children. It is the intent of this School Board to continue working on behalf of you and your children. If you have any questions or concerns regarding your schools please address them to your administration or to us.

Summerfest Plans For Roscommon

Plans are now complete for the Roscommon Metropolitan Park Authority's summer polka-fest scheduled for Friday night, August 26. Karen Stroiwas and the Polka Teens from Merrill, Michigan, will be playing for the evening's festivities. The group will provide music from 8 p.m. to midnight. The summer polka-fest will be held at the K of C hall in Roscommon.

Bratwurst, sauerkraut and beans will be served at 10 p.m. Advance tickets will be available next week at \$5.00 per person or \$6.00 at the door.

A feature of the evening will be the drawing for the 1977 Ford LTD. This drawing consists of only 100 tickets being sold at \$100 apiece. Anyone interested in tickets either for the dance or the car may call 517/275-8333 any weekday morning.

All proceeds from the event will go to match a grant to improve and expand the park in the Village of Roscommon.

Frederic News

by Arlein Kesby

An added attraction to our Centennial is our annual water-battle contest, which is sponsored by our Frederic Volunteer Fire Department. It is a water battle by participating fire departments. It promises to be lots of fun. Don't miss it. It will be Sunday afternoon. The time will be announced.

The Duncley family reunion was held at the home of Mary Duncley on Saturday and Sunday with 50 people present. There were eight of the nine children there. There were also grandchildren and great grandchildren who attended. Coming were Mary and Charlie from Florida, Erwin and Marion of Walled Lake, and son Mike who were home after spending 3 weeks in England, Jack and June of Walled Lake, Edna Hurst from Flushing, who also spent the previous week; and from Frederic, Bernie and Barbara Hinkle, Dave and Shirley Steer, Finn and Pat Duncley, and Ken and Pat Bindschattel. They also had a softball game and enjoyed playing horse-shoes. They all had a very wonderful gathering together.

For the cross-cut and axe-chopping contest, you will have to furnish your own equipment. This is a change from last week's announcement. You can register right up to the day of the event.

PICK OF THE CROP

McDonald's® quality french fries.

The perfect combination of tender, white center and golden crunchy outside. How do we do it?

We don't begin with the potato.

We begin with the seeds for a pedigreed potato called the Russet Burbank. Then we supervise the planting and inspect the harvest. And we buy only the pick of the crop.

Our experienced buyers look for lack of blemish, minimum number of eyes, pure white "meaty" interiors with firm frying consistency.

Then we peel and slice, cutting each fry to exact specifications for perfect frying. Blanching (a boiling process) comes next, not once but twice, using McDonald's patented process. Immediately after that, we fast freeze the uncooked fries to lock in their goodness.

For purity and taste balance beyond compare, we use McDonald's exclusive Flavor-Blend formula of shortening. And we make sure the shortening is regularly filtered (with a filtering system built into the deep fryer). Then we drain and change when the bubbles start to get "lazy."

We do it all for you with special equipment like our unique, patented french fry computer. With it, we can probe the exact temperature of the shortening, compensate for the moisture content of each batch of fries, and calculate an adjusted frying time.

After 30 seconds we agitate, shaking back and forth (never side to side which might break a strand). Then we lightly salt. And within seven minutes (accurately timed by the computer) your fries are served.

McDonald's french fries...
every one fresh,
hot and delicious.

Bits O' Talk

by Fay Bovee

Mr. and Mrs. John Ludeman had as their guests after July 4th, Mr. and Mrs. Lingenfelder of Rossford, Ohio, and their guests from Germany, Mr. and Mrs. Horst Kircher and their daughter. Everyone had a wonderful time. John and Jana Ludeman were dinner guests one night.

Mr. and Mrs. Ezra Sanders of Vicksburg are visiting their daughter and husband, Mr. and Mrs. Walter Ernsberger in Fred-eric.

Mr. and Mrs. Dennis Cohoon, Dan and Gretchen have moved into the Tom Welsh cottage at Lake Margrethe. Dennis has completed his bachelor's degree in accounting from Ferris State College and is now employed with Jim Jones in Grayling.

Hospital Auxiliary

What a weekend we had on the Milltown week. The bake sale was a big success and the Mercy Gift Cart girls were busy as little bees. Our thanks to all the faithful workers, and all the wonderful bakers and donations. We appreciate all the help and cooperation from everyone. Thanks to Mr. Dawson who presented all the workers with a beautiful red rose. A tribute to the Auxiliary. Thank you, girls.

Your chairman of Milltown

CORWIN COUSIN REUNION

The ninth annual reunion of the Corwin cousins was held on August 6 at the Corwin farm on the Four Mile Road. There were over 48 in attendance. There were some newcomers and some of the regulars could not make it.

Some new officers were elected. George Granger was elected to be our new secretary, replacing Dorothy Mallinger, who has done a good job. Anna Granger was elected to be our new treasurer, replacing Ken Hoesli, who also has done a good job. Thanks to Dorothy and Ken. We also thank Keith Raymond for the plexiglass for our picture board, which continues to get larger every year.

We missed Clarence and Laura Hoesli, the latter being in Munson Medical Center in Traverse City. We all missed Ken and Ruth's home-made ice cream, but we will forgive them this time.

Everybody had a good time reliving the past and a wonderful dinner was enjoyed by all.

We will be looking for you all next year and more new faces, I hope.

Your President and host,
Everett E. Corwin

District Court

The following appeared in the 93rd District Court before Judge Francis L. Walsh last week:

Roberta June Stephenson, 32, Grayling, was arraigned on August 2, on a charge of assault with intent to do great bodily harm less than the crime of murder. The defendant demanded preliminary examination, the 12-day period was waived and personal bond was set at \$5,000. She was arrested on a citizen's complaint August 1.

Charles D. Smith, 23, Grayling, was arraigned on August 2 on a charge of forgery. He demanded preliminary examination. The 12-day period was waived and bond was set at \$5,000. He was arrested July 25 on a citizen's complaint.

Richard Reid, 19, of Grayling, was arrested on a citizen's complaint on June 6, 1977 on a charge of concealment of stolen property over \$100 and unlawfully driving away the auto of another. He was arraigned on July 26, demanded preliminary examination and the 12-day period was waived. \$1,000 bond was set.

Bruce Kevin LaPointe, 20 of Baraga, was charged with the unlawful use of marijuana. He was arraigned on August 2, and plead nolo contendere. He was fined \$205 or 30 days. He was arrested by the sheriff's department on July 29, 1977.

David Thomas Smith, 18, Grayling, plead guilty to furnishing alcohol to minors and was fined \$65 or 7 days. He was arrested by sheriff's officers on July 26, 1977 and arraigned on August 2.

Larry Michael Simpson, 28, Ypsilanti was arrested on a citizen's complaint for trespassing on July 2, 1977. He plead nolo contendere at his arraignment on July 26 and was assessed \$35 fine and costs.

Norman Richard Bailey, 25, Drummond Island, was charged with impaired driving. He plead guilty at his arraignment on August 2 and was fined \$185 or 14 days. He was arrested by the sheriff's department on May 6, 1977.

Stephen Richard Strong, 22, Detroit, was arrested by city police on July 23, 1977 on a charge of being a disorderly person by intoxication in a public place. He plead guilty at his arraignment on July 26 and was fined \$65 or 7 days.

Stanley Sikorski, 61, Hamtramck plead guilty to a charge of impaired driving and was fined \$185 or 14 days when he was arraigned on July 26. He was arrested by state police July 31, 1976.

WILL IT EVER END?—Litter by the ton is daily collected by the Youth Services Environmental Clean-up Program. It has to be seen to be believed, but these young people are not exaggerating when they say they even clean up the kitchen sink. The sink beside Dennis Proflux (right) in top photo, came out of the South Branch complete with taps, and there was one other besides. Other trash included a cable spool held up by Tim Lobsinger, a bed frame, a gate, 16 bags of trash and many miscellaneous items. In the bottom photo, Sandy Eller picks up yet one more bag of trash while an unidentified worker collects some of the litter. In the Grayling City Park, and other bad locations, the job seems endless since it is littered within hours after the work is completed according to project supervisors. (Rod Denley Photos)

Attend Medical Conference

Drs. Robert A. Peterson and R. S. Libke of Gaylord; Drs. H. E. Merritt, Kenneth Dudley, Paul A. Dosch and Vernon B. Blaha of Grayling; Dr. Elwood M. Chipman of Houghton Lake and Dr. George Schaiberger of West Branch were among over 400 doctors who attended the 57th annual Collier-Penberthy-Thirby Medical Conference in Traverse City on July 28 and 29.

Doctors were present from all over the state and nation to hear thirty noted physicians present scientific papers on subjects ranging from sun-induced skin disorders to advances in the treatment of lung cancer.

Library Story Hour Ends

The Crawford County Library concluded another summer story hour July 28th with a party of pop and cookies. The total attendance for the four Thursdays of July was 175.

Along with the traditional filmstrips and stories, those attending were entertained with the guest appearances of Marij Olson and her delightful story telling ability; Trisha Duley playing her guitar and leading the little people in an enthusiastic sing-along; and through the courtesy of DiPonio Ford Agency the chance to meet and pet Mandy a four and a half month old cougar.

The staff at the library would like to thank these very special guests for making the summer program such a success.

Mi. Camping Week Aug. 7-13

Governor William G. Milliken has declared the week of August 7 - 13, 1977 as Michigan Camping Week and urged all Michigan citizens "to recognize the prominence of this form of recreation in our state and its importance to the Michigan economy."

Present at the signing of the proclamation were Earl Raftery, at left, Dearborn recreational vehicle dealer who is president of the Michigan Association of Recreational Vehicles & Campgrounds (MARVAC); Noble Wirt, Charlotte manufacturer and a MARVAC board member; and James Ford, owner of Yogi Bear Jellystone Park in Grayling and chairman of MORPAC, the Association's political action committee.

Governor Milliken said: "Michigan abounds in forests, lakes and rivers — natural assets which provide an attractive environment for both residents and out-of-state visitors in pursuit of outdoor recreational activities."

"High in popularity among those outdoor activities is camping — which is provided in thousands of sites in both public and private camping grounds."

"The activities available at or near such campgrounds include such diverse attractions as fishing, swimming, historical sites and nature trails."

"More than four million persons avail themselves of Michigan's state parks, forests, private campgrounds and national forests each year, contributing meaningfully to the economy of this state through their expenditure of \$500 million annually."

Par For The Course

by Fay Bovee
The tenth week of play on August 3rd dawned foggy, but turned out to be another perfect day of golf for the Wednesday morning auxiliary.

In Flight A, Shirley Bendig again copped low gross of 45 while Fay Bovee and Sis Kraus took low net of 34 and Corrine Smith put in only 15 putts. Fay Bovee scored a bird on #7 when she chipped in. "Hooray for Fay!"

In Flight B, Kay Ellen Juntilla shared low gross with June Schwarz with a 54, they both shared low net of 38 and the two of them also shared low putts of 16 along with Ann DuBois.

In Flight C, Caroline Berg came in with a low gross of 56 and Eddie Blaha took both low net with a 33 and low putts of 14.

The Flight A girls served the potluck luncheon. A short business meeting followed after which prizes for last week's play were awarded and then the raffle with Donna Denton in charge.

Government to Subsidize Fuel Bills for Low Income Seniors

Low income Michigan seniors will soon be the target of a \$13.26 million crisis intervention program aimed at easing the burden of last winter's energy costs. The money is Michigan's share of \$200 million recently appropriated by Congress to help low income households, particularly the elderly poor, in paying over-due utility/fuel bills. The program, to be administered by the Department of Social Services, has already begun with a mass mailing of applications to seniors.

For households headed by persons 65 years of age or older, with incomes of less than 125% of Community Services Administration poverty guidelines, this program authorizes a one time payment of up to \$250 to cover unpaid energy/fuel bills. The program also authorizes payments of \$50 to households, headed by person's meeting the eligibility requirements, regardless of the status of their fuel accounts. An eligible person may receive

assistance for unpaid energy bills and the \$50 cash grant providing total payment does not exceed the \$250 limit.

To participate in this program, individuals will be required to file an application form with the Department of Social Services. The majority of participants will be identified by using existing records of SSI and property tax credit recipients. Also, Michigan energy suppliers will provide the Department of Social Services with a list of all persons in arrears. Persons on either of these two lists will automatically receive an application. All applications must be returned by August 15.

Any persons with questions regarding application procedures or eligibility status or who failed to receive an application, should contact one of the following:

Crawford County Commission on Aging, 348-9314 or NEMCSA - Aging Division, 800-322-3025 in area code 517 or 517/356-3474.

Feldhauser Reunion

The annual Feldhauser family reunion was held at the Maple Forest Town Hall, Sunday, July 31, with 92 members attending.

Archie Feldhauser, who is 88 years old, was the oldest member of the family and is the last surviving son of the 11 sons born to Henry and Caroline Feldhauser. Mrs. Emma Knibbs, their only daughter also attended.

The youngest member present was Charles Michael, 7 weeks, the son of Mr. and Mrs. Michael Kucharek, 4th generation of the Paul Feldhauser family.

Other new additions to the family who attended were, Genette, daughter of Mr. and Mrs. Curt Feldhauser, 4th generation of the Edward Feldhauser family, and Andrew James, son of Mr. and Mrs. Gary Hanna, 4th generation of the Rudolph Feldhauser family.

Eddie Feldhauser, who hadn't been here for four years, flew home from Ritter, Oregon, to spend three weeks with his sisters at the farm.

Gifts were presented to the Senior Citizens of the family, and toys to the children. Family "Roots" came under discussion, and everyone gave thanks for the opportunity of gathering together again.

Seek Public Involvement For Suitable Wilderness Land

The U.S. Forest Service is seeking public involvement in identifying roadless and undeveloped Forest Service land suitable for wilderness evaluation according to Kenton P. Clark, Forest Supervisor of the Huron-Manistee National Forest.

To identify areas suitable for consideration, 3 public meetings were scheduled at the following locations in the southern peninsula:

The first one was held August 9th at the Holiday Inn, Grayling. On August 11th at the College Inn, Big Rapids, at 7:00 p.m., and on August 23rd at the Executive Plaza Bldg., 12th and 6th St., Detroit, at 1:30 p.m.

Clark explained that the meetings are designed for people to be involved in sessions to identify areas for addition or deletion. Since these are meetings, there will not be statements heard or addresses to the entire audience for or against wilderness.

"These meetings will not become debates dominated by proponents or opponents of what has become one of the more controversial public land management issues of our time."

"Our intention," said Clark, "will be to obtain the thinking of individuals on two issues: (1) what areas should be identified as having wilderness potential; and (2) what should be used as criteria to evaluate these areas. To do this, we will furnish participants with worksheets and resource data and then encourage them to give their input."

As background, Mr. Clark explained that up until a few years ago, wilderness had not been viewed as a possible resource opportunity in the East because most of the land had been disturbed by man. However, as a result of nearly 50 years of careful management, there are now blocks of National Forest lands that exhibit a very natural appearance. This caused groups within the past 6 to 7 years to urge Congressional passage of an Act in 1975 that designated new wilderness in the Eastern United States.

Confronted by the growing popularity and pressure for wilderness, the question of a need for more wilderness was addressed in President Carter's Environmental Message of May 23. Furthermore, this message reflected his belief in involving the public in developing his administration's position on wilderness proposals that come before Congress in the future.

Assistant Secretary of Agriculture, M. Rupert Cutler, noted that the Forest Service had conducted an inventory in 1973 of roadless areas in the National Forest System but that some areas had been overlooked. For example, explained Cutler, the 1973 inventory didn't include Eastern National Forests nor the National Grasslands and that additional areas in the West have been brought to the Department's attention.

As a result, more than 200 public meetings have been scheduled between July 1 and August 16 across the country. These will also provide public thinking as to alternative uses of roadless areas in our National Forests.

For more information on the workshops, contact Wayne Allen, Forest Land Management Planner in the Forest Supervisor's Huron-Manistee National Forest Office, Cadillac, Michigan 49601 or call 616-774-2421.

Two Cents Worth....

By Rod Denley

It seems to me like the thoughts emanating from the Capitol on cutting Social Security benefits to age 68 is a huge step in the wrong direction.

It seems to me that they should, if anything, be holding the line or making retirement ages younger. It is young taxpayers like myself who shell out the cash for Social Security and unemployment program contributions. I realize that all people pay taxes except the very rich and it is mainly we, the middle class, that carry the burden. It has always seemed strange to me — the richer you become ... the less you have to pay. However, those are the benefits of "tax shelters" which we, the working folks, cannot afford. We cannot afford high taxes either but we don't get much choice. A survey I read a few weeks ago said that 96% of the real wealth in this country is concentrated in the hands of the top 7% of the population, but over 93% of the taxes are paid by the middle class.

That doesn't make much sense does it. So as the funds in the old age pension slowly disappear faster than they are put in, the thought of increasing the eligibility age to 68 starts getting tossed around. Leave it alone and go after some of that sheltered wealth to pay the bill.

I think if anything, retirement ages should go down. Too many people in this society live to work ... not work to live. The thing you hear the most is ... "once he left his job and retired, he died within a few years..." That is not an answer or a reason why people should be allowed to retire later and stay on at their jobs. That is a sad commentary on a working family that has never planned or gotten ready for the positive benefits of retirement.

Talk to active senior citizens in this town as they bus off to Mackinac Island or the Grand Ole Opry in Tennessee, and ask them if they would rather be working. They have a wonderful time because they are involved in a great program that makes their retirement years a real joy. (Thanks to Lora Gould!!!)

Old folks have worked to build this country up to what it is today and I think they deserve every damn bit of retirement and Social Security time they have coming to them. I am positive that the people who even think about such changes are not planning on waiting until age 68 to retire. Probably most of them have a nice bundle sitting in some "tax shelter" to see them through retirement.

The other aspect that is seldom discussed about early retirement being a benefit is that it will create a lot more employment that will pour tax dollars into Social Security funds.

A lot of young people, married and otherwise, are looking for work. Many already have families or want new homes and other things like cars. Many cannot find jobs and there would be a lot more around if people retired earlier instead of later. An older worker already has his home and other things paid for and generates less money that is poured back into the economy. Younger workers would be spending their money on homes and cars and other goods and that in the long run is healthy for the whole country, for it generates even more employment.

Anyone who says to me that they enjoy their job so much that they don't want to retire is only saying that they have never really thought about the leisure of retirement and the benefits that can bring.

Lastly I would like to add that I have no qualms at all about paying extra taxes for benefits for Social Security programs or funds for drugs and medication and housing for older people. I have spent a fair share of my time around nursing homes and I know exactly what is going on in them. This country seems to treat old folks like lepers instead of appreciating the wealth of wisdom and brains they could pass on to us. This country seems to worship youth and forget that there is a whole other side to that coin. Everyone of us will be old someday too, and the conditions we impose on older people today are just what we deserve to get when our turn comes up.

It is bad enough that many older people have to struggle along on the inadequate payments that Social Security provides. It is horrendous to think that some will have to eat dog food for three more years if such legislation was ever passed.

YOUR WEEK AHEAD By DAMIS

Forecast Period
August 14 - August 20ARIES
Mar. 21-Apr. 19

A romantic interest could lead you right up the aisle, and bring an abrupt end to your career ambitions.

TAURUS
Apr. 20-May 20

A change in the home life scene. Be prepared for entertaining as there will most likely be visitors.

GEMINI
May 21-June 20

Mental restlessness brings a desire to make changes. A journey to a peaceful haven would provide opportunity to sort things out.

MOONCHILD
June 21-July 22

Financial matters are prominent. Sound reliable investments are in order. Watch your assets and avoid over-spending.

LEO
July 23-Aug. 22

You have the wanderlust, a need for change. Extremes of emotional reaction and impatience irritates others. Practice restraint.

VIRGO
Aug. 23-Sept. 22

Lay plans now which you want to carry out later in the year. The New Moon brings confidential news regarding a friend.

LIBRA
Sept. 23-Oct. 22

Friendships or group activities bring difficulties. Keep a calm attitude. Erratic outbursts only fan the flame.

SCORPIO
Oct. 23-Nov. 21

Avoid conflict with parent or employer. Others have a tendency to take their frustrations out on you, but only if you let them.

SAGITTARIUS
Nov. 22-Dec. 21

Prejudice has no place in today's world. Discord in religious matters creates animosity hard to overcome.

CAPRICORN
Dec. 22-Jan. 19

Avoid new financial ventures at this time. Your intuition could lead you astray. Be unselfish in actions.

AQUARIUS
Jan. 20-Feb. 18

See what your mate or partner is doing before setting up new plans. Take your lead from your partner.

PISCES
Feb. 19-Mar. 20

Be prepared for additional responsibilities regarding your occupation, as you are on the way up.

Richard Milliman

The state of education in this country regularly evokes both criticism and concern on fairly high levels, frequently with good reason.

One of the more vocal and more qualified critics is Admiral Hyman Rickover, no stranger to controversy, who deserves the adjective "feisty" if anyone does. Congress has repeatedly extended the retirement deadline to keep him on the federal payroll at age 77.

Admiral Rickover, head of the Navy's nuclear propulsion program, recently gave some of his thoughts to a congressional committee.

Among Rickover's claims were these: —Schools and colleges are giving too many students A's and B's they don't deserve.

—The idea that learning should be made easy and entertaining is "cruel to the child and dangerous to society, for children grow up believing that they need not struggle to excel."

—Teachers often are unqualified; tenure makes it hard to get rid of bad teachers; labor agreements preclude paying teachers according to merit.

Among his suggestions for improvement, the admiral proposed that Congress appoint a panel to develop national scholastic standards, including minimum competency requirements for pupils and uniform tests to measure basic reading, writing and arithmetic.

The national standardization idea drew immediate negative response from Mary Berry, assistant secretary for education in the Department of Health, Education and Welfare.

She claimed that education is a local responsibility, with disagreement among localities on what constitutes good education. For example, some localities consider the classics as vital, while others discount them; some think business English is important, others do not. At least, these were a couple of Ms. Berry's examples.

Despite the fact that education is, as Ms. Berry claims, a local responsibility, there is also considerable merit in some standardization. Reading is reading, writing is writing, arithmetic is arithmetic. All are important to getting along in everyday life; if you don't think so, just ask someone who can't read, write or count how they get along, day by day.

Rickover cited to Congress several examples of education's shortcomings, including these:

—The federally-financed National Assessment of Educational Progress studied writing samples of 7,500 youngsters and concluded that only a tenth of 9-year-olds, a third of 13-year-olds and half of 17-year-olds could organize ideas on paper.

—Faced with an increasing number of high school graduates who cannot read, the Navy gives some recruits a 6-week remedial course designed to raise reading ability to sixth grade level.

—In Long Island, N.Y., a high school graduate sued the local school system charging educational malpractice; he said he was not taught enough reading and writing to get a decent job.

Where should the emphasis lie — on the three R's, with Rickover; or on the classics and business English, with Ms. Berry? I have to come down on Rickover's side in this controversy.

Too much schooling, it seems to me, is getting out of hand and off the point; it's nice, but it's not essential. It should be add-on, rather than bedrock.

Rickover cited another example in his Congressional appearance; real or imagined, it makes a telling point about educational priorities.

It seems a Georgia school teacher sent home a progress report along with the child's report card, in this fashion: "Alvin excels in initiative, group integration, responsiveness and activity participation. Now, if he'd only learn to read and write ..."

KCC Represented at National Apprenticeship Celebration

Leonard Miller, newly appointed coordinator of Apprenticeship Training Programs at Kirtland Community College, will represent the college at the 40th anniversary celebration of the National Apprenticeship Program on August 16, 1977, in Southfield, Michigan.

Mr. Miller has been appointed to coordinate apprentice training programs with employers in the college district, and has begun contacts with employers for this purpose.

Kirtland Community College recognizes the mutual advantage to student and employer from the various trade apprenticeship programs. Mr. Miller is prepared to offer assistance in setting up programs in the various trades as the third part in the employer, student, school combination necessary to complete requirements for Journeyman status in the skilled trades.

He can be contacted through the Admissions Office at Kirtland Community College.

Variety in Secretarial Course at KCC

Paul Durbin, instructor of Secretarial Science at Kirtland Community College, announced recently that a Secretarial Machines course will be offered at the college on Wednesday evenings this fall. Students will be trained on a variety of office equipment, including: duplicating machines, automatic typewriters, voice transcription equipment, telephones and switchboard, and various types of electric typewriters. They will also prepare masters for offset preparation and observe and assist in operations in the college's Duplicating Center.

For more information about the class, call the Admissions Office at KCC, at 517/275-5121.

Local Airman on TV Show

AB Thomas Feldhauser, a student at Chanute Field will participate in an Air Force-produced TV series entitled "Knowledge."

The series will be televised on the National Broadcasting Corporation (NBC), according to Lt. Col. Jack Oswald, "Knowledge" project officer for the Aerospace Audio Visual Service, which will produce the five-part special.

Times and dates for the 30-minute programs were not immediately known, but the series will be aired prior to NBC's Today Show.

Each segment of the series will deal with a different aspect of life in the Air Force. The program Airman Feldhauser is scheduled to participate in will be a talk show focusing on Air Force training.

"I was contacted and interviewed while I was in basic training at Lackland (AFB, Tex.), and asked if I would like to be a guest on the TV series," said the airman, a member of the 3352nd School Squadron and a student in the jet engine mechanic course.

"I'm looking forward to being part of the show — it sounds like it'll be an exciting experience."

Airman Feldhauser goes from Chanute to Cleveland, where the series is being produced in the NBC studios.

He is the son of Mr. and Mrs. Norman Feldhauser of Grayling.

New Books At Library

Several new books have been donated to the library by Lois Ford. "Long Live the King" by Tornabene, "Full Disclosure" by Salire, "Coal Miner's Daughter" by Loretta Lynn, "My Parents" by Roosevelt, "Scapegoat" by Scaduto and "Winds of War" by Wouk.

Colonel Hardin Sweeney gave the volume "The Last Two Million Years" published by Reader's Digest.

The children of Leonard Knibbs presented "Small is Beautiful" in memory of their father.

From Cornell's (Paul Thomson and Clyde Borchers) memorials donated were "Wildflowers" by House, for Mrs. Carl Englund; "A Place to Come" by Warren, for Joseph Kasper; "The Hunters" by Howard, for Steven C. Kasper; "Mushroom Hunter's Field Guide" by Smith, for Charles Anthony and "The Camera Never Blinks" by Dan Rather, for Chester Orlikowski.

From Trout Unlimited we received "Squarrell" by Charles Kroll, "Tricks That Take Fish" by Blaisdell and "The Passenger Pigeon" by W.B. Mershon.

In Officers Training

DOVER, DEL.—Cadet Kevin M. Sloan, son of Lieutenant Colonel and Mrs. W. D. Sloan of Grayling, is participating in a U.S. Air Force Reserve Officers Training Corps field training encampment at Dover AFB, Del.

During the encampment, cadets receive survival and small arms training and aircraft and aircrew indoctrination. They also have the opportunity to observe careers in which they might wish to serve as Air Force officers.

Cadet Sloan, a student at the University of Michigan, is a 1975 graduate of Grayling High School.

Cindy Laurent Boyle

Who says you can't be young, attractive, successful and female? Most male salesmen, that's who.

Century-21 of Springfield, Va. has the pleasure of displaying two rapid successes who fit the above description. One is Cindy Boyle, a good example of how to succeed in the real estate business without taking forever. Cindy joined the firm in April and has listed and sold over \$300,000 of residential resale business.

Cindy and her husband, Pat, live in Dale City, Va. Pat is an officer in the Coast Guard, and Cindy is a full time real estate career person. After about 30 days of learning the business through the Century-21 personal training at the firm, Mrs. Boyle succeeded in selling 3 houses in one week! Undaunted by her rapid sales success, she has begun a listing campaign in her own Dale City neighborhood.

Cindy combines the qualities of femininity and hard work to achieve unusual and rapid success with one of Springfield's growing real estate firms.

Cindy is the daughter of Mr. and Mrs. William Laurent of Traverse City, Mich., and the granddaughter of Mrs. Matilda Hunter of Grayling.

Jerry Lewis Open Home Fights M/D

GRAYLING — Keith Dressel Realty of Grayling, a member broker of Electronic Realty Associates, Inc., (ERA), will help raise funds for the "Fight Against Muscular Dystrophy" by donating all proceeds from their second scheduled "Jerry Lewis Open Home" on August 14, 1977.

During the open house, Keith Dressel Realty will donate \$1.00 for every family who tours the home.

"We want to help find prevention and cure for this disease which chiefly affects children," said William C. Cogswell, broker and partner of Keith Dressel Realty. "We hope our 'Jerry Lewis Open Home' will be a step forward in this fight."

Jerry Lewis Open Homes are part of a national effort by ERA, a nationwide home market service, to raise money for research into the crippling muscle wasting disease, ERA, a network of more than 1,000 member brokers and 20,000 sales associates in 2,000 offices nationally is committed to backing the fight against muscular dystrophy nationally.

Funds raised during the event will be turned over to the Muscular Dystrophy Association in full to further their research. ERA and Keith Dressel Realty will also participate in the Jerry Lewis Muscular Dystrophy Telethon over Labor Day weekend, September 4th and 5th.

Sweet Adelines Activities

The Mid-Mitten Chapter met August 3rd for their first rehearsal after a month's vacation. Plans have been finalized for the big "Gong Show" to be held this Saturday, August 13th, at the Houghton Lake Playhouse. The acts are lined up and it promises to be a real fun night. Besides the gong show the chorus will be singing for your enjoyment, and we have a surprise act for your entertainment. Tickets are now on sale from any Sweet Adeline so be sure and get yours early so you won't have to wait at the door to purchase a ticket. The show starts at 8:30 p.m., \$2.00 donation, and children under 13 will be free.

The chorus has been invited to be part of a big benefit show to be held in Traverse City in September. The benefit is being held to help send our regional top chorus and quartet to London for competition this fall. The "5" top choruses are being asked to perform in the show and Mid-Mitten Chapter just happens to be included in that group. We are very excited and pleased over the invitation and plan to be part of the show. More information on this benefit show will be given at a later date.

Chorus rehearsal will continue to be held at St. Elizabeth's Parish Hall during the month of August. After school starts we will begin meeting at the Roscommon High School. Anyone interested in singing (female that is) are urged to pay us a visit.

Remember the Gong Show this Saturday night, August 13th.

Attend the Church of Your Choice

GOD'S LANDMARKS

When I was a little girl, I used to think that God lived in the steeple of Grandfather's church. I believed, too, that Grandfather had a marvelous monopoly, a private pipeline connecting him with those upper regions.

When I told him, Grandfather hugged me close and chuckled. "Child, he said, 'You can't shut God up in a church or in one man's heart. He's everywhere — in whispering winds, the wild goose's call, in winter's purple clouds and scarlet leaves of fall. Whenever you see beauty — you see God.'"

Not long ago I went back to that little town and visited the church. It looked just the same. The white spire gleamed in the sun, piercing the blue summer sky. Wide doors stood open and inviting, and a gentle breeze wafted faint strains of an anthem to me. I remembered Grandfather's words, and a prayer of thanks rose in my heart for his church. Surely I prayed too for all the landmarks of God — His churches that spread across this land, symbols of His might and glory.

Completes AF Training

SAN ANTONIO — Airman Thomas H. Feldhauser, son of Mr. and Mrs. Norman H. Feldhauser of 900 Ogema, Grayling, has been assigned to Chanute AFB, Ill., after completing Air Force basic training. During the six weeks at Lackland AFB, Tex., the airman studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

Airman Feldhauser will now receive specialized training in the aircraft equipment maintenance field.

The airman is a 1976 graduate of Grayling High School.

Editor's Mailbox

July 31, 1977

Crawford County Avalanche

To the Editor

Dear Sir:

I would like to take a moment

to let the community know of a

quality of service they have

available to them. So many

times only the negative is

stressed, never the good.

On Thursday afternoon, July

28, 1977, Mr. Robert Hall

collapsed at Scheer Motors Co.,

in Grayling. An emergency call

was placed and within 3 minutes

the Crawford County Ambulance

responded with their

volunteer workers from the

Sheriff's Dept. The men on this

call immediately assessed the

situation, began cardio-pulmonary

resuscitation and then immediately

transported Mr. Hall to the Mercy Hospital Emergency

room. Because of their

immediate and effective efforts

during transportation of the

patient, the Emergency Room

crew was able to continue treatment

with good results. Mr.

Hall is presently in the Coronary

Unit of Mercy Hospital and

showing improvement.

I would like to publicly commend

Dean Goss and Curt Haas

who initiated the resuscitation

and Jim Parker who drove to the

hospital.

Because of their efforts, Mr.

Hall is alive and responding to

treatment. I feel the public

should be aware of the quality

of care as well as the "Caring"

that is available to them at all

levels in our "Northern Michigan

Communities".
